

Number	Lead PSI	Title	Description	Budget	Project Lead	Project email
503	DOUG	Reviving Child & Youth Care Practicum	Address disruption to CYC practicum placements due to COVID: create ~85 new or replacement practicums, revive and expand network of employers, create practicum supervisor learning modules	\$127,800	Carys Cragg	craggc@douglascollege.ca
504	NVIT	Phase 2 Implementation of Co-op and Enhancement of WIL Opportunities at NVIT	Continue rebuilding co-op and WIL at NVIT in partnership with Merritt Chamber of Commerce. Create 50+ WIL opportunities for Indigenous students, widen network of employers, create new partnerships.	\$167,000	John Chenoweth	jchenoweth@nvit.ca
505	UFV	Art Worx Phase 2	Continue progress made in Phase 1 funded project #313 to create WIL for liberal arts graduates. Target of 180 WIL placements and 76 micro-placements.	\$110,000	Linda Pardy	linda.pardy@ufv.ca
506	DOUG	Expanding Vocational Education and Skills Training WIL Placements Across the Lower Mainland	Hire of Inclusive Educator position to educate faculty and employers to develop vocational WIL placements for students with disabilities. Target of 50-60 placements.	\$126,800	Karla Grons Dahl	gronsdahlk@douglascollege.ca

508 TRU	TRU WIL Project Phase 2	Continuation of 2 components of project funded under Phase 1: Indigenous EL Coordinator and Employer Liaison Coordinator. Target of up to 50 WIL placements of Indigenous students, and raising co-op placements by 30% (75-80 placements) to pre-COVID levels.	\$148,750 Shawn Read sread@tru.ca
512 UBC	Arts Amplifier Phase 2	Continuation of Phase 1 project #301 to create WIL opportunities through student led projects, paid internship program, entrepreneurship training, collaborative projects, applied research and online training hub and resources. Target of over 110 WIL experiences of various types.	Letitia Henville \$164,642 Henville letitia.henville@ubc.ca

513 VIU	Engaging VIU students in WIL	Continuation of Phase 1 funded project #106 to support the viwil.ca website and associated infrastructure to take a regional approach to finding WIL placements for students with central and northern Vancouver Island employers. Target of 250 new WIL placements and expanded capacity of Centre for Experiential Learning to prepare students for work placements and career planning and expand its network of employers in the region.	\$175,000 Irlanda Price irlanda.price@viu.ca
514 UBCO	Post-Pandemic Recovery for Non-Profits via Community Service Learning	50-70 students will complete Community Service Learning placements in groups of 5-7 each with 10 non-profit organizations in the Okanagan region to carry out projects related to specific post-pandemic needs, e.g. harm reduction, food insecurity or decolonization.	\$80,375 Jana Petrone jana.petrone@ubc.ca

516 BCIT	Creating New Trades Co-op, Recruiting SMEs and underrepresented students	Create a new mandatory co-op program (Heavy Duty Truck Technology), additional support for expanding network of employers and numbers of underrepresented students. Target of 16-32 HDTT students and 116 "recovery" work terms.	\$165,458 Susanna Kan skan10@bcit.ca
517 JIBC	Creating WIL Placements for JIBC Students	Building on Phase 1 funded project to operationalize WIL at JIBC. Target of 150+ WIL placements in schools of Public Safety, Criminal Justice and Security, and Health Community and Social Justice.	\$235,000 Ron Bowles rbowles@jibc.ca
518 UFV	Science Studio: Sustainable WIL Placements for Science Students Solving Local Environmental Challenges	Project to improve participation of Science students in co-op programming at UFV. Target of 150 new student placements of 80-100 hours of work experience each with local employers to address environmental challenges, also creates 3 co-op terms in support of project, and addition of 15 employers. Follows on from success of Phase 1 project #313 that saw great increase in Arts students WIL placements.	Natalina MacLeod \$52,500 natalina.macleod@ufv.ca

519 CMTN	Connecting the North: the Northern WIL Hub Project	Partnership of CMTN and CNC and local Chambers of Commerce. Continues from Phase 1 funded project to engage with employers and add new technology to improve processes. Target of 100+ WIL placements in 15 rural/remote communities, many Indigenous.	\$269,792 Tracey Woodburn	twoodburn@coastmountaincollege.ca
520 UFV	Expanding Specialized WIL Placements in Community Clinical Settings	Target of 75 new WIL placements for students in Social Work (practicums and service learning engagements of 200-450 hours with a counselling service) and Child Youth and Family Studies program areas (practicums of 600 hours in a clinical setting).	\$95,982 Natalina MacLeod	natalina.macleod@ufv.ca
524 UFV	Expanding WIL and reducing Barriers for students in the Data Analysis Certificate Program	Target of 20 or more applied research project WIL placements in this small 18-month post-baccalaureate program. About 90% of students in this program are highly skilled newcomers who will gain valuable Canadian work experience through the project.	\$14,750 Ian Affleck	ian.affleck@ufv.ca

528 UVIC	Strategic Job Development Across Sectors	<p>Hire of Employment Development Officer to coordinate strategic job development and produce job development plan in UVic's Optional and Professional Co-op program (which includes 45 different program areas). Target of over 75 co-op placements (including 15 EDI - targeted work terms), increased numbers of employers in newly identified sectors, and further research and shaping of student WIL needs and preferences.</p>	<p>Allison \$85,000 Benner</p>	<p>oppadirector@uvic.ca</p>
529 UVIC-ACE	Talent MATCH Phase 2	<p>Continuation of Phase 1 funded project #403, which worked to place students with MATCH organizations (Museums, Arts, Tourism, Culture and Hospitality). This sector of the economy was very badly affected by COVID-19's economic and social disruption. Target of 125 or more WIL placements, new relationships with 75-125 employers, and production of more resources, workshops and webinars for faculty and staff involved in related program areas.</p>	<p>Allison \$122,400 Benner</p>	<p>oppadirector@uvic.ca</p>

530 KPU	A Seat at the Table: expanding Co-op/WIL for Opportunities for Underrepresented Students and Programs	An Employer Relations Assistant and a co-op student will develop relationships with Indigenous and Indigenous-friendly employers to create more placements for KPU's Indigenous students. The position will also place students and work with local First Nations to develop Salishan Place by the River, a new arts, culture and heritage facility that will open in Fort Langley in 2023. Target: creating 60+ new placements in 7 differetn co-op programs.	\$87,811 Julia Denker julia.denker@kpu.ca
531 UBC	UBC Indigenous Co-op Coordinators Pilot	Continuation of Phase 1 project #105: two 0.5 FTE coordinators at UBC and UBC-O will support Indigenous students in the Arts, Engineering and UBC-O Interdisciplinary co-op programs. Based on success of 10-year similar position at UVic. Targets of 10 letters of intent from Indigenous communities/organizations to employ students, 50-75 new Indigenous students in co-op by 2021/22, and improved support and resources for supporting Indigenous students in Co-op.	\$135,000 Jamie Snow jamie.snow@ubc.ca

533 UVIC	CanWork Phase 2	Continuation of Phase 1 funded project #221 to more than double the number of students with disabilities involved with the CanWork program. Target of 60 or more co-op work terms for students who face great challenges in finding and retaining placements.	\$249,000 Andrea Giles agiles@uvic.ca
536 SEL	Selkirk WIL Expansion Program	Builds on Phase 1 funded projects to: enhance employer and student recruitment; prepare more WIL options in more programs; improve the readiness of students to get the best out of WIL placements; and improve the process of matching employer needs to student talent. Target of 115 WIL placements of various types, all in rural settings.	Terri MacDonald tmacdonald@selkirk.ca

538 UBC	Recruiting, Engaging and Supporting Rural and Remote Community Partners for UBC Field Experience Placements	Project aims to seek, maintain and support 100 new 3-week Community Field Experience placements in rural and remote areas for students completing the UBC Teacher Education Program, to address the continual talent drain of teachers outside urban areas. Responds to tasking of Rural Educators' Association to work with BC Teachers' Council to develop a rural and remote program.	\$145,000 Marianne McTavish	marianne.mctavish@ubc.ca
539 UBC	EDI Co-op Coordinator: Increasing Access, Engagement, and Success for Equity-Seeking Students in the UBC Arts Co-op Program	Project to implement recommendations of an extensive EDI-related review and evaluation of UBC Arts Co-op through hiring an EDI Co-op coordinator. Goal is to increase overall intake of Arts students into the program (target of up to 100 new placements) and to have more resources and better support for students from EDI backgrounds in securing work terms.	\$111,038 Linda Gully	linda.gully@ubc.ca

540 UBCO	Tri-University INWIL Hub and Outreach Strategy	Continuation of Phase 1 project #229 to support employers through two hiring cycles. Target of 130 WIL placements of various types (co-op, field placements, community service learning, work experience) between UBC-O, UNBC and TRU while engaging over 250 new employers; further target of 20% placements in rural areas and/or with Indigenous organizations.	\$144,000 Jamie Snow jamie.snow@ubc.ca
543 UBC	NITEP: Enhancing Indigenous Teacher Candidates' (ITCs) WIL Professional Practicum Preparation, Success, and Completion and ITC Employability for the Teaching Profession	Project to improve practicum success rate of students in UBC's Indigenous Teacher Education Program through professional development resources, practicum preparation curriculum, and a reciprocal mentoring network. Target of 40 new practicum placements for students in Years 3 and 4 of the NITEP program, as well as 42 new Community Field Experience placements. Will coordinate with project #538.	\$125,300 Jan Hare jan.hare@ubc.ca

544 CMTN	Supporting the North: Field School Specialist	<p>Create a specialist position to support delivery of "field school" experiences in 4 departments (Business Administration, ECCE, Anthropology, First nations Studies) for students to have short-term service learning engagements with community organizations. Target of 48-72 placements. Position will also work with Contact North, a 3-year project funded by AEST beginning in 2021 to connect post-secondary institutions in the North with Indigenous students living in remote communities to access online education.</p>	Tracey Woodburn \$136,792	twoodburn@coastmountaincollege.ca
545 CAPU	CapU WIL Co-Lab Outreach Project	<p>Builds on Phase 1 projects to expand campus and community outreach, and produce "Co-Lab" resources for students, faculty and community partners involved in WIL. Target of 100 WIL placements, including 15 Indigenous placements from University One program.</p>	Aurelea Mahood \$153,750	amahood@capilanou.ca

547 COTR	COTR Co-op Implementation	Continuation of Phase 1 funded project to further develop co-op options in 13 program areas. Target of 40 co-op placements among programs.	Darrell \$77,976 Bethune	bethune@cotr.bc.ca
548 SFU	WIL to Empower: Direct Action EDI Supports for Equity-Deserving Students	Continuation of work from several Phase 1 funded projects to provide specialized advising support on WIL for students who experience marginalization. Development of new and improved curriculum for staff, students and employers, and directly working with students to find appropriate and safe WIL experiences. Target of up to 80 new placements of various types.	Muriel \$145,000 Klemetski	klemetsk@sfu.ca
552 ECUAD	Public Education for Anti-Racism: Artful Civic Action	20 students will complete applied research placements with the City of Vancouver's Anti-Racism and Cultural Redress team to develop public education resources to support the City's anti-racism and reconciliation plans.	\$30,000 Cissie Fu	cissiefu@ecuad.ca

553 ECUAD	WIL for Community Based Design	Cohort of students will work with local organizations in field placements to gain practical experience (target of 20 placements); a group of 10 students will work over 4 months to develop self-directed entrepreneurial projects and initiatives (target of 10 placements).	\$57,500	Kate Armstrong karmstrong@ecuad.ca
554 ECUAD	Special Initiatives for Work Integrated Learning in Studio Art	40 students will be involved in 12-week community service learning engagements with 2 local employers: 20 Photography students in the Capture Photography Festival and 20 Printmaking students at Patio Press.	\$55,500	Kyla Mallett kmallett@ecucad.ca
555 LANG	Langara College WIL Strategy Delivery & Expansion	Builds on Phase 1 funded project to further develop WIL at LANG, with focus on students with disabilities and expanding the network of employers and amount of support given to employers. Target of up to 15 placements of students with disabilities and 100+ ne co-op and work experience placements in various program areas.	\$195,000	Heather Workman hworkman@langara.ca
